Observations / Comments:

Thank you for your consultation on this application. Apologies for the delay in replying . I have reviewed the application and have no adverse comments to make.

I would however like to add the following informative:

The Council will normally expect contractors to adhere to the Guidance Note for Contractors contained in the COPA 1974 sections 60 & 61 and to the Associated British Standard BS 5228-1:2009+A1:2014 and BS 5228-2:2009+A1:2014

Code of practice for noise and vibration control on construction and open sites. Noise and Vibration

This includes such matters as hours of noisy working, working practices and public relation with local residents. Statutory requirements are laid down for control of noise and vibration during works of construction and demolition and you are advised to contact Environmental Health regarding noise control requirements.

Thank you
