

Recommendation: **GRANT PERMISSION**

Havant Borough Local Plan (Core Strategy) March 2011

- CS16 (High Quality Design)
CS17 (Concentration and Distribution of Development within the Urban Areas)

Havant Borough Local Plan (Allocations) July 2014

- AL1 (Presumption in Favour of Sustainable Development)
AL2 (Urban Area Boundaries and Undeveloped Gaps between Settlements)

Listed Building Grade: Not applicable.

Conservation Area: Not applicable.

5 Planning Considerations

- 5.1 As detailed in paragraph 3.1 above, this application has been submitted under Section 96A of the Town and Country Planning Act which allows a local planning authority to make a change to any planning permission if they are satisfied that the change is not material. The Government has advised that the requirements for design and access statements, publicity and consultation, and to take reasonable steps to identify unknown owners, would have applied to the original application if relevant. Therefore, those requirements do not apply to this type of application. The Government have advised that Local Planning Authorities must have regard to the effect of the change when determining where the proposal is a 'non-material' amendment.
- 5.2 Having regard to the relevant policies of the development plan it is considered that the main issues arising from this application are:
- (i) Principle of development
 - (ii) Appropriateness of design and impact on the character of the area
 - (iii) Effect on neighbouring properties
- (i) Principle of development
- 5.3 The application site is located within the defined urban area, therefore development is considered acceptable in principle subject to development control criteria.
- 5.4 No letters of objection were received with respect to APP/17/00497 from neighbours or consultees.
- (ii) Appropriateness of design and impact on the character of the area
- 5.5 The proposed alterations to substitute a door for a window and change the design of the window and patio door in the rear elevation, change the design of the patio door in the side (south) elevation and change the colour of the render from white to grey (as permitted under APP/17/00497) would not alter the overall design and is not considered to be harmful in that respect.
- (iii) Effect on neighbouring properties
- 5.6 The proposed changes are relatively modest and it is considered unlikely to lead to an adverse impact to neighbouring properties and can therefore be considered as non-material.

6 Conclusion

- 6.1 Overall, the proposed alterations to substitute a door for a window and change the design of the window and patio door in the rear elevation, change the design of the patio door in the side (south) elevation and change the colour of the render from white to grey are not considered to result in a material change to the extant planning permission and the changes are recommended for approval.

7 RECOMMENDATION:

That the Head of Planning be authorised to **GRANT PERMISSION** for application APP/19/00305 subject to the following conditions

- 1 The development hereby permitted shall be carried out in accordance with the following approved plans:

Drg no. 12C Proposed ground floor plan
Drg no. 14C Proposed rear elevation plan
Drg no. 15B Proposed side elevation (north) plan
Drg no. 16C Proposed side elevation (south) plan

Reason: - To ensure provision of a satisfactory development.
