Dear Sir/Madam,

**Change to the pedestrian crossing layout at Sir George Staunton
Country Park, Middle Park Way, Havant PO9 5HB**

I am writing to you in regard of your application for a Non-Material Amendment dated 2 May 2019 in respect to the above planning permission.

Your application has been considered in accordance with Section 96A of the Town and Country Planning Act 1990. This requires that in making a decision on whether a proposal constitutes a Non-Material Amendment, the County Council as Local Planning Authority should have regard to the effect of the change, together with any previous changes made under this section, on the planning permission as originally granted.

Your application (our ref. no. **NMA/2019/0342**) is set out in the application form dated 2 May 2019 and the plans/drawings. This application requests the following amendments to the original permission:

Drawing No. EC/P11360/001 rev A '*Proposed Pedestrian Crossing Middle Park Way Havant*' (dated 26.03.19) to replace Drawing No. 4769-SK-008 '*Proposed Crossing Layout at Middle Park Way*' (dated Jan 2017)

Following consideration I can confirm that your proposed amendments (ref. no **NMA/2019/0342**) are hereby approved.

This letter and the referenced plans, drawings and application should be kept and read alongside the previously issued Decision Notice to original application ref. APP/17/00735.

Director of Economy, Transport and Environment
Stuart Jarvis BSc DipTP FCIHT MRTPI

Please be advised that this letter does not convey any additional approval which may be required under other legislative regimes (e.g. Building Regulations or Environmental Permitting).

Should you have any further queries, please do not hesitate to contact the case officer on the details provided

Yours faithfully
