01 Landscape Strategy Plan

L01 1:400 @ A1

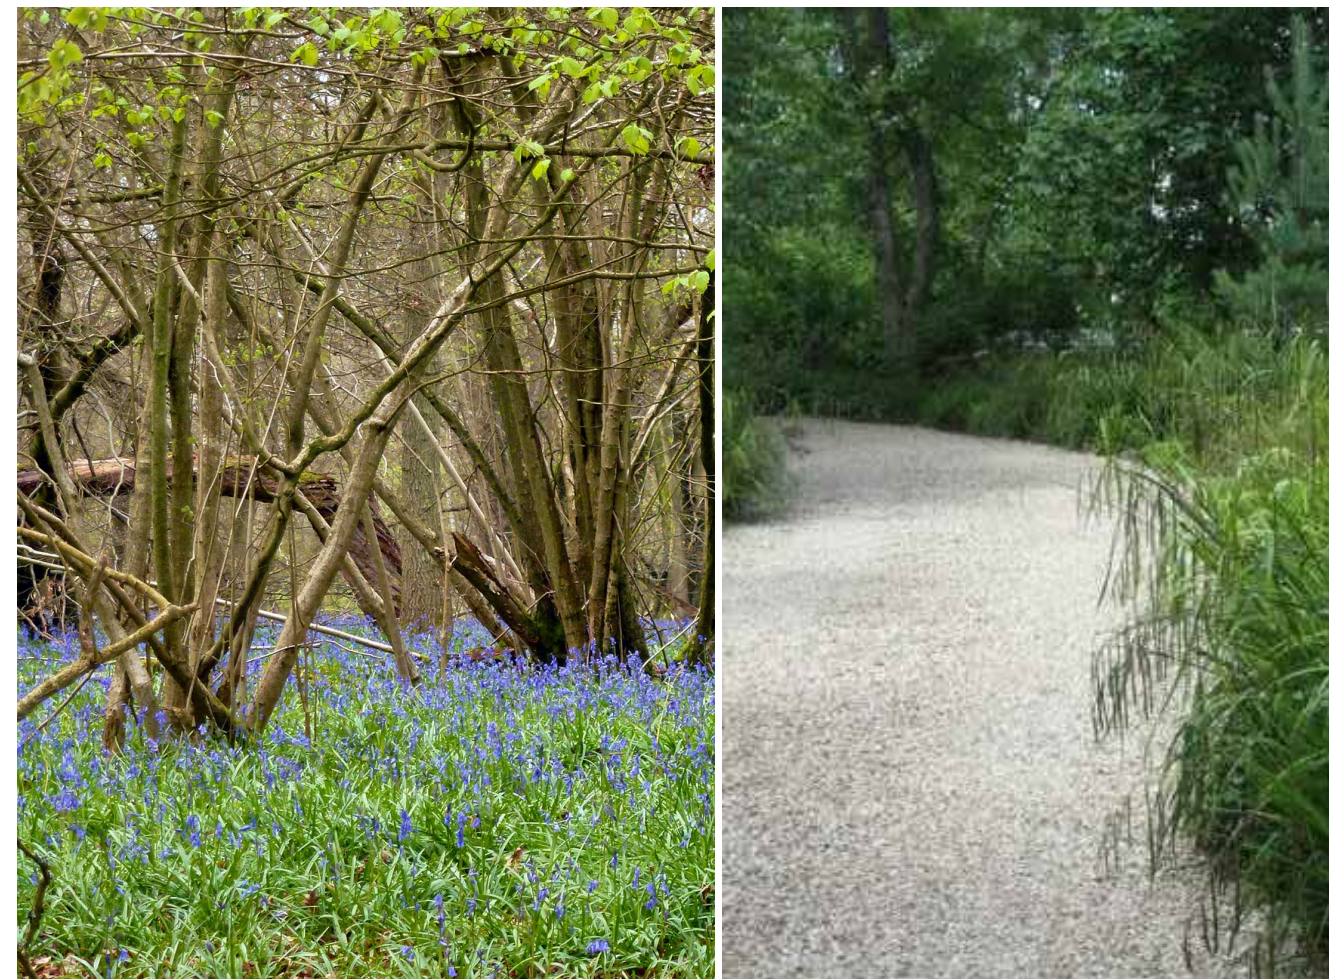

1. Ornamental shrub planting to frontages. Planting to prioritise native species and or species that provide nectar for birds and insects.

2. Residential street planting to complement reinforce positive features of local settlement pattern. Tree and shrub planting between parking bays to help to integrate parking into streetscape.

3. Boundary vegetation to be enhanced and implemented with infill native planting to reinforce ecological connectivity / corridors.

4. Central Open Space - woodland walk to encourage recreation and define important social/meeting point for school. Woodland understorey enhancements to reflect local landscape character.

5. Natural play area to complement landscape setting and encourage recreation.

6. Fruit tree planting and shrub planting to screen school boundary
