On Behalf Of: Landscape Team

Comments

Planning Application APP/18/01165 Telecommunications Mast, Fishery Lane, Hayling Island

Retrospective planning application relating to existing 15m high Hutchinson T Range Monopole and associated works; proposed leylandii tree planting scheme.

From a landscape perspective we have the following comments:

- The proposed planting is not deemed sufficient to offer adequate screening of the 15m high mast, we feel that additional Leyland Cypress to the north east and south of the existing building would offer a better screening solution.

Kind regards,

Harry Mitchell
