Scale is correct when printed to the stated size. All dimensions are given in millimetres and used in preference to scaled sizes and all dimensions must be checked on site by the contractor before ordering materials and/or commencing work. All dimensions in mm are given to the nearest millimetre. The contractor is to ensure the works are inspected and completed to the satisfaction of the local authority. Compliance with building regulations or a party wall award / agreement is not to be assumed. No deviation from this drawing will be permitted without the prior written consent of the designer. Unless the provisions of the Building Regulations 1985 are stated in this drawing and the work contained therein remains the property of the designer (the planning service), and may not be reproduced in any form whatsoever without prior written consent. Under the construction (design and management) regulations 2015 (CDM2015) all design work for both building and structural elements are to conform to those regulations. E&EO.
