Dear Person in planning Service.  
your Ref. APP/19/00041  
24 Sultan Road Ems. PO10 7PP

Living in no 22 Sultan Road I  
wish to draw your attention to the  
following :-

- 1) Noise - I could have a sitting room next  
to my bedroom. Being elderly do I want that?
- 2) There are several defects noted on the  
full survey in March 2018 which has not  
been carried out. Back to my knowledge.
- 3) I require access to put my bins out.  
Will that charge?
- 4) My neighbours and I have parking prob-  
lems already. I know this isn't a consideration  
but it is serious. Being fined, unable to  
go to see friends or in the country.
- 5) You are setting a precedent - more flats  
more cars!!! Detraction of our  
houses. please reply - I'm still waiting  
for a reply regarding the Railway Inn's applica-  
-tion!!! Yours sincerely J. C. A. Smith
