Havant Borough Council as Local Planning Authority hereby APPROVES the submitted application as meeting the information requirements of the following Conditions of Planning Permission APP/13/00317.

The following conditions are part discharged in so far as they relate to the area demarked as "Area for Commencement of Development" on Plan A108 V2: Proposed Site Layout:

Condition 7:

No development hereby permitted shall commence until plans and particulars specifying the alignment, width, gradient and type of construction proposed for the improved slipway, new concrete sea defences, all footways, roads and individual accesses thereto (including all relevant horizontal cross and longitudinal sections) and the related provision to be made for street lighting and for surface water disposal and a programme for the implementation and making up of the same have been submitted to and approved in writing by the Local Planning Authority. The implementation and making up of the same shall be completed in full accordance with such plans, particulars and programme as are thus approved by the Authority.

Reason: To ensure that they are constructed to satisfactory standard and, where appropriate a standard which will enable them to be taken over as publicly maintained highways and having due regard to policies CS16 and CS20 of the Havant Borough Local Plan (Core Strategy) 2011 and the National

Plan 101

Condition 19:

No development hereby permitted shall commence until details of all foul drainage provisions and connections, together with written confirmation from Southern Water that the arrangements are adequate, have been submitted to and approved in writing by the Local Planning Authority. The development hereby permitted shall not be brought into use until the completion of the implementation of all such drainage provision in full accordance with such plans and particulars as are thus approved by the Authority.

Reason: To safeguard the amenities of the locality and ensure that all such drainage provision is constructed to an appropriate standard and quality and having due regard to policies and proposals CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework 2012.

Details submitted:

Condition 20:

No development approved by this planning permission (or such other date or stage in development as may be agreed in writing with the Local Planning Authority), shall take place until a scheme that includes the following components to deal with the risks associated with contamination of the site shall each be submitted to and approved, in writing, by the local planning authority:

1) A preliminary risk assessment which has identified:

- all previous uses
- potential contaminants associated with those uses
- a conceptual model of the site indicating sources, pathways and Receptors potentially unacceptable risks arising from contamination at the site.

2) A site investigation scheme, based on (1) to provide information for a detailed assessment of the risk to all receptors that may be affected, including those off site.

3) The results of the site investigation and detailed risk assessment referred to in (2) and, based on these, an options appraisal and remediation strategy giving full details of the remediation measures required and how they are to be undertaken.

4) A verification plan providing details of the data that will be collected in order to demonstrate that the works set out in the remediation strategy in (3) are complete and identifying any requirements for longer-term monitoring of pollutant linkages, maintenance and arrangements for contingency action. Any changes to these components require the express written consent of the Local Planning Authority. The scheme shall be implemented as approved.

Reason: Information provided within the planning application indicates that contamination is likely to be present as a result of the historic uses of the site. We are concerned that any contamination present poses a risk to groundwater, surface water and the harbours, having due regard to policies CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework 2012.
