Town and Country Planning (Development Management Procedure) (England) Order 2015 Discharge of Conditions Application

Application Number: APP/16/00774

Site Address: Land north of Havant Road and west of Selangor Ave, Emsworth

Description: Erection of 147 dwellings with associated parking, access, landscaping, and surface water drainage, pumping station, sub station and signalised junction onto Havant Road (amended scheme). (Approved 29/06/2018). Request to discharge condition No/s 3, 4, 9, 12, 13, 14, 16, 17, 18, 20, 22 and 24 (15.11.2018). Request to discharge conditions 5, 9 & 10 (30.4.19)

This decision relates to your request to discharge conditions which was valid from 30/04/2019.

Havant Borough Council as Local Planning Authority hereby APPROVES the submitted application as meeting the information requirements of the following Conditions of Planning Permission APP/16/00774.

The conditions in respect of which information has been submitted are:

Condition 4:

No development shall take place until plans and particulars specifying the following matters have been submitted to and approved in writing by the Local Planning Authority:

The provision to be made within the site for:

- (i) construction traffic access
- (ii) the turning of delivery vehicles
- (iii) provisions for removing mud from vehicles
- (iv) the contractors' vehicle parking during site clearance and construction of the development;
- (v) a material storage compound during site clearance and construction of the development.

Thereafter, throughout such site clearance and implementation of the development, the approved construction traffic access, turning arrangements, mud removal provisions, parking provision and storage compound shall be kept available and used as such.

Reason: To safeguard the amenities of the locality and in the interests of traffic safety and having due regard to policies CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

Details submitted:

Condition 5:

Prior to the commencement of groundworks within areas of the site that are 'brownfield' (previously developed land & land in its immediate vicinity as set out in Geophysical Survey Report Dec 11 LP1211L-GSR-v1.2 and Updated Preliminary Desk Study & Ground Investigations Letter Report 26th July 2016 J11145/DB/c06), an assessment of the nature and extent of contamination associated with previous land use in those areas shall be submitted to and approved in writing by the Local Planning Authority. The assessment shall be undertaken by competent persons, and the findings presented as a written report.

The assessment may comprise separate reports as appropriate, but unless specifically excluded in writing by the Local Planning Authority, shall include;

1) Site investigation appropriate to both the previous & approved use of the site, to provide sufficient data and information to adequately identify & characterise any physical contamination on or affecting the site, and to inform an appropriate assessment of the risks to future occupants.

2) The results of an appropriate risk assessment based upon (1), and where unacceptable risks are identified, a Remediation Strategy that includes;

- ☐ appropriately considered remedial objectives,
- ☐ an appraisal of remedial &/or risk mitigation options, having due regard to sustainability, and;
- ☐ clearly defined proposals for mitigation of the identified risks.

3) A verification plan providing details of the data that will be collected in order to demonstrate that the works set out in the Remediation Strategy (2) are complete, to include consideration of contingency action. All elements shall be adhered to unless agreed in writing by the Local Planning Authority

Reason: Having due regard to policies DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and DM17 of the Havant Borough Local Plan (Allocations) 2014, Contamination may be present at the site as a result of both previous land uses (&/or activities) that could pose a risk to future residential occupants.

Details submitted:

Report on Supplementary Ground Investigation Works within Former Farm Building Area - letter from Wilson Bailey dated 15.4.19

Condition 9:

No development shall take place until the applicant has secured the implementation of a programme of archaeological mitigation of impact, based on the results of the trial trenching, in accordance with a Written Scheme of Investigation that has been submitted to and approved by the Planning Authority.

Reason: To mitigate the effect of the works associated with the development upon any heritage assets and to ensure that information regarding these heritage assets is preserved by record for future generations and having due regard to Policy CS11 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework 2012.

Details submitted:

Written Scheme of Investigation (LP1211L-WSI-v1.3)

Written Scheme of Investigation (LP121 1L-WSI-v.2.2) dated May 2019

Reasons for approval

The details hereby approved are considered to be in accordance with the relevant adopted policies of the Council, in particular the policies contained within the Havant Borough Local Plan (Core Strategy) 2011.

- (1) This notice only relates to the decision of Havant Borough Council as Local Planning Authority under the Town and Country Planning Acts. It does not relate to any other

application that may be required under the Building Regulations or under any other Act, Regulation, Byelaw or Order where the Council's approval may be needed. For further guidance as to the need for consent under the Building Regulations please phone 023 9244 6573.

- (2) Any failure to adhere to the details of the approved plans, and other documents or to comply with any conditions listed above may lead to enforcement action being taken by the Council. If you wish to depart from the approved details or conditions in any way you should contact the Planning Development Service at the Public Service Plaza or by telephoning 023 9244 6015.
