Subject: Ref: APP/15/01235 - Condition 12 - Ecology

Dear Miss Glover

I note that the attached condition remains undetermined to-date and would like to request to seek approval thereof for the record. I note from the portal the senior ecologist's has made recommendations with regards to the introduction of 10 swift boxes on the 9 July. I can confirm that Exbury Homes are happy to accept these proposals and have requested that Kingfisher update their report for site issue to reflect these changes.

We trust this concludes all matters relating to Ecology and look forward to receiving formal discharge of condition in due course.

In closing, please note, I will be on leave from 4pm Friday 12 July – Tuesday 23 July inclusive.

Kind regards,

Sarah O'Brien
