Dear David,

I have had a look at the site and the proposals to develop with 3 dwellings. I have no objection to the trees and shrubs shown for removal as they are not suitable specimens to be protected by a Tree Preservation Order. The method statement and tree protection plan for the TPO'd Oak tree is adequate to protect the tree, however, I do not feel that the relationship between the Oak and plot 3 is acceptable. There will be a limited usable garden space and the tree will dominate. This could lead to pressure to prune or remove the tree.

Thanks

Maria
