Subject: Eastleigh House - revised plans

Dear Emma

Based on the submission of the amended plan C1806012 Rev A which now shows the fireplace as being retained in Room 13 at first floor, I am satisfied with the proposals submitted within the planning and listed building applications.

I welcome the information from the agent that the existing services will be utilised where possible and would like to be consulted at condition stage for any details relating to new services, if the applications are granted permission.

Kind regards
