Cunningham Road, Waterloooville, PO7 5TY

HBC may own the land because this area is an old Council Housing Development, but the verge is highway and traditionally applicant do not have to put a red line around a vehicular crossing. If planning permission is granted it is accepted that the principle of the construction a vehicular crossing is acceptable. However, in this case because of the possible tree root damage I would suggest that the applicant establishes the principle of the vehicular crossing by means of an application to Hampshire Highways by means of
