To the planning case officer,

Dear Bee Crawford,

Langstone Sailing Club, Langstone Road, Langstone, Hampshire

APP/19/00032

Proposal for construction of first floor extension to north-west corner of sailing club building to provide additional office and installation of solar panels to west roof slope

Thank you for consulting The Chichester Harbour Conservancy concerning the above planning submission. In its role in managing the Chichester Harbour Area of Outstanding Natural Beauty (AONB), The Conservancy has considered the submitted proposal against the Conservancy's planning guidance and principles - including The Chichester Harbour Management Plan (2014-2019), The Chichester Harbour Planning Principles (version 1.1 July 2017), and The Chichester Harbour AONB Joint SPD (May 2017).

Under the Chichester Harbour Conservancy fully delegated officer decision process, the Local Planning Authority (LPA) is hereby advised that the Conservancy makes the following comment in relation to the above application.

Chichester Harbour Conservancy Recommendation – No Objection

Should the LPA be mindful to grant planning permission, the Conservancy suggests that the following stipulations are applied:

- schedule of materials to be as indicated on submitted application forms / to match existing
- the solar panels should have a dark colour and trim to reduce their visual presence on the building roof slope

The proposal is not considered to be unduly prominent, given its setting, to be detrimental to the character or the appearance of the Area of Outstanding Natural Beauty (AONB).

If you require any further clarification with regards to this recommendation, please contact the CHC Planning Office.

Yours faithfully,

D Rothery
