LCW 4 **12 March 2019**

READ ONLY WITH DRAWING LCW4 dated 12 March 2019

- A]** Gates repositioned at extremity of 4.0m
(3.5m high) acoustic fence returns into
the site on both sides of the access
(Please refer to Page 16 of Sound Advice
Acoustic Report).
- B]** The maximum employment at the scaffold
storage yard is 10 employees with a maximum
of 21 employees working on installation at
remote construction sites
- C]** Land occupied by N P Civil Engineering
for the storage of plant and machines in
connection with undertaking highway
works or for similar open storage use or
for car parking
- D]** This part of the existing site is used only
for the parking of cars and the static parking
of lorries not exceeding 7.5 tons. The applicant
confirms that no works of modification, repair
and maintenance refurbishment will not take
place in this area
- E]** Parking of vehicles is now prohibited on the site
access road in accordance with Mr Ruffell's strict
management conditions for site occupiers
- F]** The landscaping undertaken on the site which
has failed due the hot summer of 2018 is to be
replanted during the current planting season
(namely March/April 2019) for inspection by LPA
in early summer
- G]** The stable area will function for that purpose only.
