

STATEMENT EXPLAINING THE CHANGE OF USE TO A3 ONLY

57 London Road , Cowplain, Waterloooville, PO8 8UJ

Dear Ms Crawford

Following your requirement regarding the licence I would like to remove the A5 use and keep it solely as an A3.

The Café will be run as a sitting area for the food and drinks to be consumed inside the premises. I would like to highlight that no food or drinks will be sold outside the shop, neither take away will be available.

In my previous statement it was a misunderstanding for the A5 use, but following our conversation it is now clear how the shop will be run, so the A3 covers the required element and there is no need for A5.

The Application Form has also been updated by removing the A5 element.

Thank you and Best regards
