

NOTES:
Do not accurately at time of life circumstances. Do not scale from printed drawings except for planning purposes.
Levels are related to the Ordnance Survey QPS Active Network (A) and transformed using the OSN115 & OSN115 model.
Although this is a digital survey, the accuracy and amount of data collected is subject to the accuracy of the survey data and the accuracy of the data collection process. The accuracy of the data collection process is subject to the accuracy of the data collection process. The accuracy of the data collection process is subject to the accuracy of the data collection process.

While every effort has been made to achieve accuracy on the plan, CRITICAL dimensions, levels and floor levels should be checked prior to design and construction.
Visible features in the vicinity of the boundaries as shown above, may not represent the extent of legally conveyed ownership.
While every effort has been made to achieve accuracy on the plan, CRITICAL dimensions, levels and floor levels should be checked prior to design and construction.
