APP/17/01339

Thank you for your letter of 22/05/2019.

Southern Water would have no objection to discharge condition 4 relating to surface water disposal. The Council's Building Control officers or technical staff should be asked to comment on the adequacy of soakaways to dispose of surface water from the proposed development.

The information submitted does not contain any foul sewerage disposal proposals. We are, therefore, not able to comment and provide recommendation regarding foul drainage.

For any further queries please contact us at developerservices@southernwater.co.uk.

Yours Sincerely
