Dear Daphney,

APP/18/00391POUND HOUSE HAYLING ISLAND

We will agree to the condition on the planning approval from Southern Water

"The developer must advise the local authority (in consultation with Southern Water) of the measures which will be undertaken to protect the public sewers, prior to the commencement of the development."

Reason: To safeguard the amenities of the locality and ensure that all such drainage provision is appropriately protected and having due regard to policies and proposals CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework

Kind Regards,

Jeremy Garlick
