Hi David,

I am currently chasing the consultation responses from our Drainage Officer and Southern Water. Unfortunately both parties dealing with the application are currently on leave until next week and therefore I am concerned that we may have a slight delay on comments being returned.

We have currently agreed an extension of time until the 7th March. Please can you let me know if you would be agreeable to extend this further by 1 week until the 14th March.

I shall of course endeavour to release any decision to you ASAP.

Kind regards,

Emma
