FASCIA SIGN - Aluminium Fascia, Internally Illuminated
Aluminium & Acrylic Built-Up Letters & Logo:- 2mm

aluminium back panel formed on 4 sides with 30mm folded returns complete with 20x20mm internal aluminium fixing angle to top & bottom or 20mm up & downstands depending on circumstances. Panel is to be etch primed and powder coated semi-gloss grey to match RAL7043 Traffic Grey. Install to a sealed and weathered area provided by others. To the face of the fascia panel will be applied a built-up tile logo, text and 50mm high strap line, 65mm returns all round to letters and logo, 30mm returns to strap line, all constructed from 2mm aluminium, white powder coated to RAL9010, inside and out, with 5mm translucent opal white acrylic faces. Acrylic to be rebated to fit flush to aluminium returns and all clear siliconed together. Letter & logo backs to be 10mm Foamex screwed flush to aluminium back panel. The face of the tile logo is to be decorated with 5-7 year vinyls in translucent blue Mactac 9738-05 & translucent red Mactac 9758-06. Vinyl is to be stencil cut to show white dice dots through. White border all round, equalling the gap between red & blue vinyls. "TM" in blue vinyl and "®" in white vinyl applied to back panel. The strap line is to be unlit, with a white sprayed aluminium back. Logo & Domino's text are to be evenly illuminated by LED modules mounted on the Foamex, with all wiring & drivers unseen.

LUMINANCE:-

Maximum luminance of all signs is 200 candelas/m².

TYPEFACE:-

The type face is to be Domino's UK Font. This & the tile logo are obtainable only from Domino's UK Property Department.

NOTES:-

Tile logo must always be at 45deg. Single domino dot must always be at the top. A small Blue TM is to be incorporated at the bottom of tile logo. A small White ® is to be incorporated to the top right of the "Domino's" letter "s".
