ADDENDUM

Development Management Committee

16th August 2018

Item 9(1) APP/18/00277 – Land on south side of Mill Rythe Lane, Hayling Island

Response to question from Site Viewing Working Party

At its meeting on 9 August 2018 the Site Viewing Working Party requested that the following information be provided to the Development Management Committee:

- a) Details on the typical number of vehicle movements per day on the site.

The applicant's agent has advised that 12 vehicles typically move into and out of the site each day i.e. a total of 24 movements. This comprises a mixture of rental vehicles which are collected and returned, and also overspill parking for local businesses.

The Committee are reminded that the Highways Authority has no adverse comment on this application.
