

Dear Rachel

Re: APP/18/00380 Discharge of Condition 10: Outline application for the construction of 3No. two storey detached dwellings, following demolition of existing buildings. Southmere Farm, The Mallards, Havant

Thank you for consulting us on the above application. Natural England has no comments to make on the discharge of condition 10. Our responses dated 25th July (consultation number 252091) and 9th May (consultation number 244753) still stand.

Should the proposal be amended in a way which significantly affects its impact on the natural environment then, in accordance with Section 4 of the Natural Environment and Rural Communities Act 2006, Natural England should be consulted again. Before sending us any further consultations regarding this development, please assess whether the changes proposed will materially affect any of the advice we have previously offered. If they are unlikely to do so, please do not re-consult us.

Kind regards
