

Subject: RE: Planning Application APP/18/00565 Land South of Eastleigh House & Helmsley House, Bartons Road, Havant

Thank you for consulting us on the above application.

As this application relates to a site which is less than 1 hectare in size, there is no need for us to comment on it at this time. However, please direct the applicant to our website <https://www.hants.gov.uk/landplanningandenvironment/environment/flooding/planning> for further information on recommended surface water drainage techniques.

Also, please note that if the proposals include works to an ordinary watercourse, under the Land drainage Act 1991, as amended by the Flood and Water Management Act 2010, prior consent of the Lead Local Flood Authority is required for this work. This consent is required as a separate permission to planning. Details can be found here <https://www.hants.gov.uk/landplanningandenvironment/environment/flooding/changewatercourse>

Many Thanks
