

NOTES:

This drawing has been prepared for the purpose of Planning and/or Building Regulations approval only, and is not to be used for any other purpose.

All dimensions to be checked on site and any discrepancy notified to The Martin Ralph Group. Written dimensions are to be used in preference to scaled dimensions.

This drawing is the property of The Martin Ralph Group and must not be reproduced, in part or whole, or deviated from, without their permission.

ELEVATIONS TREATMENT

EXAMPLE OF TRESPA AND ETERNIT CLADDING PANELS

Proposed elevation treatment
New Orangery and Changing Places
extensions to be of equivalent height to the
existing building.

Flat roof to be insulated fibreglass in grey.
Large lantern roof on Orangery to be grey
aluminium frame.

Cladding panels to be fibrous cement boards
on insulated solid blockwork - such as Trespa
or Eternit.

Suggested two tone cladding with pale top
and bottom with a darker tone in the middle
to complement the brown timber boards on
the existing building. Exact choice of colours
and texture of panels to be agreed.

Side wall to Changing Places to a Living Wall
(green wall) with appropriate selection of
plants to suit that location.
