Planning Application APP/18/01147 2 St Marys Road, Hayling Island, PO11 9BY

Conversion of one retail and one office unit to three flats and erection of a two storey building extension with two new flats with associated landscaping works and demolition of ancillary building.

From a landscape perspective we have the following comments:

- Boundary details requiring submission of fully annotated plans at sufficient scale showing the locations of existing, retained and proposed new boundary treatments, with scaled elevation drawings to show height, design, materials, type and colour of proposed new walling / fencing or other type of enclosure and associated gates.
