Dear Ms Stewart

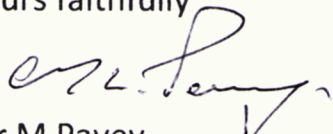

The Town and Country Planning (Tree Preservation Order) Regulations 2012
Site Address 8 Pinehurst Close, Waterlooville PO7 8Ry

Over the past few years there has been a relentless assault on trees in this area. It started with the Scotts Pines, which were systematically felled one by one until there are very few left, and now it seems to be the turn of the Oaks.

With consideration to the proposed work of felling a beautiful oak tree that is complementary to another Oak on the other side of the road in Grassmere Way

I regard the impact would have a detrimental effect on the landscape and it's Importance to the enjoyment of the local area.

Yours faithfully

Mr M Pavey
