Dear ,

71 Forestside Avenue, Havant, PO9 5SJ

Change of Use of part ground floor of retail unit (A1) to provide Class A5 (Hot food takeaway), alterations to shopfront, installation of new doors to side and rear elevations and installation of extract duct to rear elevation

I refer to your consultation on the above.

Whilst car parking is the responsibility of the Borough Council I note there is considerable on street parking in this area. The site does benefit from a rear car park of some 11 spaces and a layby to the front. The proposed change like the existing is likely to serve the local population and may change the timing of vehicular movements only.

I therefore confirm the Highway Authority have no objection to this proposal.

Yours sincerely,

Ray. Alborough
