Dear Sirs,

Proposal: Dropped kerb.
Site: 64 Purbrook Way, Havant, PO9 3SA.
APP/19/00015

Thank you for your letter of 17/01/2019.

Please find attached a plan of the sewer records showing the approximate position of a public surface water sewer within the boundaries of the site. All existing infrastructure should be protected during the course of construction works.

Any changes to the cover level over public sewers or changes to the cover level of public manhole shall be agreed and approved by Southern Water before proceeding with works.

The applicant is advised to discuss the matter further with Southern Water, Sparrowgrove House, Sparrowgrove, Otterbourne, Hampshire SO21 2SW (Tel: 0330 303 0119) or www.southernwater.co.uk.

Furthermore, due to changes in legislation that came in to force on 1st October 2011 regarding the future ownership of sewers, it is possible that a sewer now deemed to be public could be crossing the above property. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its condition, the number of properties served, and potential means of access before any further works commence on site.

Yours Sincerely

A handwritten signature in black ink, appearing to read "Harte Kuper".
