Comment Reasons:

Comment: I personally regret the loss of the HSBC bank, but things being what they are, it's gone. Sadly, this leaves a rather ugly hole in the middle of the town.

Does Havant _need_ another food outlet? Perhaps not, but I would rather see something fill this hole rather than it lay barren and empty.

The 2am closure does seem excessive, however; I think that 11pm or perhaps Midnight is sufficient.

My main point is that, given the mixed feeling of the various stakeholders, it is clear that the application is NOT uncontroversial and thus should be considered and debated by the Development Management Committee.
