Under the Chichester Harbour Conservancy fully delegated officer decision process, the Local Planning Authority (LPA) is hereby advised that the Conservancy makes the following comment in relation to the above application.

Chichester Harbour Conservancy Recommendation – No Objection

Notwithstanding the application having been determined by decision notice dated 4 December 2018, the Conservancy would like its comments added to the council's electronic record.

Suggested considerations:

- no works should be carried out during the bird nesting season (April to September) or if there is evidence of bat roosting (hibernation or maternity roosts)

If you require any further clarification with regards to this recommendation, please contact the CHC Planning Officer, Steve Lawrence.

Yours Sincerely,

D Rothery
