Subject: Colt - Highways Technical Note 02

Dear David

Further to recent discussions and our meeting last Wednesday afternoon, please find attached a Technical Note which now addresses all of the outstanding Hampshire County Council Highways comments. A copy of this note is also being sent directly to HCC.

I trust this provides you with all the information you now require in respect of the highways comments, however should there be anything else, I would be grateful if you could let me know as soon as possible.

Kind regards
