Comments

To enable us to calculate the CIL Liability for this proposal we will need to know the use of the existing premises including the date they were last in use. We believe that NatWest may have been closed in November 2015. If appropriate proof cannot be provided then the whole development may be CIL Liable.

The CIL rate is set out in our Charging Schedule:

<http://www.havant.gov.uk/sites/default/files/documents/HBC%20CIL%20Charging%20Schedule%20Full%20Document%20Feb%202013.pdf>

The amounts in the Charging Schedule are indexed according to the year in which permission is issued. If the permission were issued in 2019 the amount of indexation would be 34.82%.

Additionally, instructions should be passed by the Case Officer to the CI Team to issue the Solent Recreation Mitigation Strategy Unilateral Undertaking, now based on the number of dwellings and their respective number of bedrooms.
