**The Town and Country Planning (Development Management Procedure) (England)
Order 2015
Notification of Decision**

Application Number: APP/17/01309

Site Address: 1 Dolphin Quay, Queen Street, Emsworth, PO10 7BU

Proposed Tree Works: Crown reduce height by 5m and laterals on the south east and west by 3m and deadwood 1No. Macrocarpa (T1) and Crown reduce height by 3m and laterals on the north west and east by 3m and deadwood 1No. Macrocarpa (T2). Both trees are within the Emsworth Conservation Area.

Further to your notification received on 05 December 2017, Havant Borough Council, as Local Planning Authority, advises that it **Raises Objection** to the above tree work in Emsworth Conservation Area.

As a consequence I can advise that the Council made a **Tree Preservation Order** with respect to the following tree(s): 2No. Macrocarpa (T1, T2). You should have received from the Borough Secretary formal notification of the making of this Order by the Local Planning Authority. The effect of the Order is that the Council's written consent is required for any tree works to the tree(s).

I enclose, for your use, should you wish to carry out any tree works to the tree(s) covered by the Order, the appropriate application forms, as the Council cannot, under the current Regulations treat your notice under Section 211 as an application to carry out works to a subsequently protected tree.
