Dear Mr Jupp,

Following on from my phone call this week I am conscious that the decision for Hollybank Lane is due in 1 week and we have not yet had the tree information submitted. In order to allow time for this to be received, consulted with for 7 days and for an assessment to be carried out I suggest that we agree an extension of time for 3 weeks until the 12th October. This should provide the necessary time required pending the information being submitted next week. I will endeavour to release a decision at the earliest opportunity.

If you are in agreement please can you let me know.

Kind regards,
Emma
