HAMPSHIRE & ISLE OF WIGHT

The historical maps shown were reproduced from the original maps held in the National Library of the United Kingdom. The maps were produced using the first 1:50,000 maps were produced using the process continued until recently, with new editions appearing every 10 years or so for urban areas.

In the late 1940's, a Provisional Edition was produced from the original maps, which were then updated with a number of sources. The maps appear to be a mixture of the original maps and the Provisional Edition. The maps were produced using the process continued until recently, with new editions appearing every 10 years or so for urban areas.
