Principal Conservation Officer No objection

7B Beechworth Road is a nicely detailed semi-detached Edwardian dwelling that was previously detached. It is located within the St Faiths Conservation Area

Section 72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 requires planning authorities, when considering whether to grant planning permission for development which affects a Conservation Area, to have special regard to the desirability of preserving or enhancing the character and appearance of that area.

A single storey conservatory is to be removed as part of the proposals. It is of no historic significance and as such its demolition is accepted.

The replacement single storey extension is of a design and size that would not cause any adverse impact on the character of the Conservation Area. The extension is also in keeping with existing property and would not appear overly dominant or out of character.

No objection subject to the following condition:

- 1) Materials to match.
