

Here are supporting documents to application:

Sketch Plan:

63 Southleigh Road (Applicant)

65 Southleigh Road (Owner)

Tree under application, Pinus Radiata.
Clearly Visible from road.
Orange Line Shows Which Branches to be Reduced by up to 3
Meters.

Picture to show branches that overhang driveway entrance, and where we would like to reduce back to using the orange line seen in photo. The orientation of the line does not depict the shape that we will ultimately give the tree if application is accepted.
