Dear Jade

Following on from our conversation yesterday please find attached addendum =
which I hope deals with any outstanding points. As we discussed I have test=
ed higher levels of trade draw from the town centre and also included a bri=
ef assessment of the turnover should a condition be imposed restricting the=
range of goods sold. As we discussed such a condition would materially red=
uce the likely design year turnover and thereby the impact on the town cent=
re even with a 50% trade draw rate.

Perhaps you can let me know if you have any further queries. I understand t=
here is a conference call arranged for next Tuesday morning but if we can g=
et it agreed before then this would be helpful.

I also understand that in relation to a possible trampoline operator or sof=
t play use you do not need any further assessment in quantitative terms but=
your comments refer to marketing of the site for such uses which I believe=
Mr Downes is addressing.

Regards

Mark Wood MRTPI
