Dear Sir/Madam,

Continuation with Beach Management Activities on the South Coast of Hayling Island (Ferry Inn to Hayling Island Sailing Club) by recycling beach material to protect Eastoke from flooding.

Thank you for consulting Hampshire County Council (HCC) as the mineral planning authority (MPA) with regards to the above planning application.

The proposed application does not affect aggregate supply in the construction industry as all beach material is proposed to be recovered and recycled on Hayling Island. As no new material is required, Hampshire County Council as Mineral Planning Authority raises no objection to this application.

Yours faithfully,

Sophie Champion
Principal Planning Officer

Director of Economy, Transport and Environment
Stuart Jarvis BSc DipTP FCIHT MRTPI
