Title: First name: Surname:

Reference:

Date (DD/MM/YYYY): (Must be pre-application submission)

Details of the pre-application advice received:

Having reviewed the planning history for the site as a whole, I can advise you that the records indicate to me that the current lawful use of the Church Hall is D1 (non-residential institutions) and the current lawful use of the Parish Meeting Hall would be Sui Generis (a use class in its own right).

From the information provided by you, I can advise you that the lawful use of operating a nursery on the site would similarly be classed as a D1 use (non-residential institutions) and on this basis, if you are intending to utilise the Church Hall for this purpose, I am of the opinion that a change of use would not be required. If you are however intending to use the Parish Meeting Hall which is a Sui Generis use then a formal change of use would be required as this is a use class in its own right.
