Comments

I would like to clarify my previous comment.

The surrounding highway is covered by double yellow and therefore the public are not allowed to park.

The existing servicing of this unit is from the rear which is private and has previously been a bank and a shop that have been historically serviced in the same way.

The lay by in front of the parade shops is not adopted highway and could be used for the pick up of takeaway orders but it's increased use would not be a reason to refuse the application with regard to highway safety.
