Thank you for your consultation letter of 05/09/2018.

Southern Water would recommend discharge of condition 5 relating to foul sewerage drainage and protection of public sewers. An approval for the connection to the public foul sewer should be obtained under Section 106 of the Water Industry Act.

The Council's Building Control officers/technical staff and the environment agency should be consulted regarding the discharge condition 5 for surface water disposal to soakaways.

Yours Sincerely

Marta Karpezo
