Hi Michelle,

Thank you for consulting Natural England on the above Appropriate Assessment.

-
No objection

Natural England notes that your authority, as competent authority under the provisions of the Habitats Regulations, has undertaken an Appropriate Assessment of the proposal, in accordance with Regulation 63 of the Regulations. Natural England is a statutory consultee on the Appropriate Assessment stage of the Habitats Regulations Assessment process.

Your appropriate assessment concludes that your authority is able to ascertain that the proposal will not result in adverse effects on the integrity of any of the sites in question. Having considered the assessment, and the measures proposed to mitigate for all identified adverse effects that could potentially occur as a result of the proposal, Natural England advises that we concur with the assessment conclusions, providing that all mitigation measures are appropriately secured in any permission given.

Please let me know if you have any queries.

Kind regards
Rachel

Dear Ms Jones

I have just sent to the main Natural England inbox a consultation request with HRA attached for the above application.

Would there be any possibility a response could be returned as soon as possible for this one?

Kind regards
