Comment Details

Commenter Type: Complainant

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: I wish to comment on the following statement from the architects - Wren.

'The Applicant has discussed this proposed Change of Use with both tenants who would be directly affected by this proposal. Subject to the outcome of this Applications and the successful conclusion of negotiations with the chosen operator, both have been offered alternative accommodation at first floor level to retain them in the shopping centre.'

It is my understanding that the occupants at 'the Beacon' have received no formal notification of the application.

As I understand it, the admin team there were advised of the application by Centre staff as a matter of courtesy, which was good of them.
