Subject: APP/17/01176 Harbour View, Marine Walk, Hayling Island, PO11 9PQ 17.2080

Dear Bee,

APP/17/01176 | Demolition of existing porch, side and rear conservatories and erection of two-storey rear extension, single-storey side extension, rear canopy, replacement porch and changes to dormer roofs. | Harbour View, Marine Walk, Hayling Island, PO11 9PQ 17.2080

Thank you for consulting me on this application.

The application is accompanied by a Bat Scoping Assessment (the Ecology Co-op, October 2016). The ecologist concludes that due to an absence of suitable external features and a lack of evidence within the roof void the dwellings offers negligible potential for supporting roosting bats. No further ecological works is considered necessary.

If you have any queries please don't hesitate to contact me.

Kind regards,

Tristan

Tristan Norton
