

Thanks Rachael.

The conditions surrounding the existing S.Water sewer are effectively impossible to overcome. There is no point in proceeding further, and as such we wish to **withdraw the application.**

regards

Martin

Good afternoon Martin,

So that I can gauge a rough idea of timescales, please can you provide an approximate date for when you might next be able to liaise with the applicant?

Kind regards,

Rachel Ballam

Hello again Rachael,

The applicant is in America at the moment, and will discuss with us when he returns.

Please take no further action for the moment.

Thank you.

Thanks Rachel

The S.Water response clearly compromises the application in its current form.

We await a reply from the applicant before we can reply formally to you.
