Proposals: Request to Discharge Condition 11 (20.08.18). | Land rear of 38-40 Long Copse Lane, Emsworth, PO10 7UR

Thank you for sending us this consultation. Please accept this response as being that of the Countryside Service, in relation to this application we are responding on behalf of Hampshire County Council as Highway Authority in respect of Public Rights of Way.

We note that the application proposes changes to Havant Footpath 67 'REDLANDS LANE' and the tarmacked bellmouth where the route meets U609 'LONG COPSE LANE' as per the attached site plan.

There must be no surface alterations to the right of way, nor should any work be carried out which affect its surface, without the prior permission of Hampshire County Council as Highway Authority. To carry out any such works without this permission would constitute an offence under s131 Highways Act 1980. In relation to this application a highway agreement will be required.

We therefore raise no objection to the application subject to a highway agreement being secured.

Many thanks,

Ben Marsh
