

Dear Daphney,

Thank you for consulting Sport England on the revised plans and additional information in relation to the above application.

Sport England has consulted the relevant national governing body for sport, the RFU, on these details. The RFU comments that they remain fully supportive of the proposal. Sport England does not have any specific comments on the revised plans or information. Sport England's wishes to maintain its position as set out in our response dated 17 January 2018.

Sport England therefore considers that the proposal meets our E5 exception policy as set out in our playing fields policy. We therefore support the proposal.

Sport England would also like to be notified of the outcome of the application through the receipt of a copy of the decision notice.

Best,

Owen Neal
