

HAVANT BOROUGH COUNCIL

Town & Country Planning Act 1990

Consultation on Planning Application

MEMORANDUM

From:	Environmental Health	To:	Development Control
Our Ref:	CONS/18/00178	Your Ref:	APP/17/01291
EH Case Officer Extn:	44 6666	Date:	01 February 2018
DC Case Officer:	Mrs Emma Chisnall		
DC Case Officer Extn:	6523		
Application Number:	APP/17/01291		
Site Address:	34 Cotwell Avenue, Waterlooville, PO8 9AW		
Proposed Development:	Single storey rear side extension		

Observations / Comments:

I refer to the above application under the Town & Country Planning Acts passed to this Service for comment.

I have perused the enclosed plans / documentation provided by the applicant. It would appear that the proposed new flue is to serve a new wood / log burner installation, in the proposed living room extension. Based on the current proposed positioning and height of the flue, there is potential for smoke nuisance and recurrence of same, to neighbouring properties.

If consent is to be granted on this application, I would ask that the following informatives be added to any positive Decision notice.

Informative regarding Hours of Work:

You are hereby requested to ensure that no works or ancillary operations associated with any demolition, excavation, clearance and construction works at the development, which are audible at the site boundary, shall take place on any Sunday or Bank / Public Holiday, nor on any other day except between the following times: Monday to Friday: 8.00 – 18.00 and Saturday: 8:00 – 13.00.

This is in order to protect the occupants of nearby residential properties from noise and vibration nuisance

Informative regarding Bonfires:

You are hereby requested to ensure that no bonfires take place on this site, during any phase of the operation i.e. demolition, excavation, clearance and construction works. If you feel you have a legitimate reason for a bonfire, it is recommended you enquire with the Environmental Health Pollution team, at Havant Borough Council, prior to taking this action.

This is in order to protect the occupants of nearby residential properties from smoke pollution.

Informative regarding Dust Control:

You are hereby requested to ensure that the Environmental Health Pollution team, at Havant Borough Council are advised in writing as to what measures are to be put in place for the control of any dust that might emanate from the development site.

This is in order to protect the occupants of nearby residential properties from dust pollution.

Informative regarding wood burning or multi-fuel stoves / appliances:

You are hereby advised that whilst no smoke free zones currently exist within the Havant borough, this does not relieve operators / owners of wood burning or multi-fuel stoves / appliances, from ensuring that they do not cause nuisance to other residents within their neighbourhood. If you are unsure as to what your position would be in relation to existing legislation such as the Environmental Protection Act 1990 or the Clean Air Act 1993, it is recommended you contact the Environmental Health Pollution team, at Havant Borough Council.

This is in order to protect the occupants of nearby residential properties from smoke pollution, and also yourself from potentially breaching current legislation.

A handwritten signature in black ink, appearing to read 'M. Moss', with a large, stylized initial 'M' and a trailing flourish.
